Division of Economic & Housing Stability COVID-19 Data

December 14, 2020

Highlights – December 14, 2020

2

Helping individuals and families through the pandemic...

- Statewide, 3,016 individuals have been assisted to date with funding from the Housing Stability Program to maintain their housing.
- Through the work of the Child Care Recovery and Stabilization Program, there are over 45,360 child care spaces statewide.
- The Emergency Allotment for ongoing SNAP Households provides an increased benefit, bringing families to the maximum benefit for their family size. Monthly, an average of approximately 23,839 households receive this benefit.

Mission

To advance the health, economic, and social well-being of individuals, families, and communities.

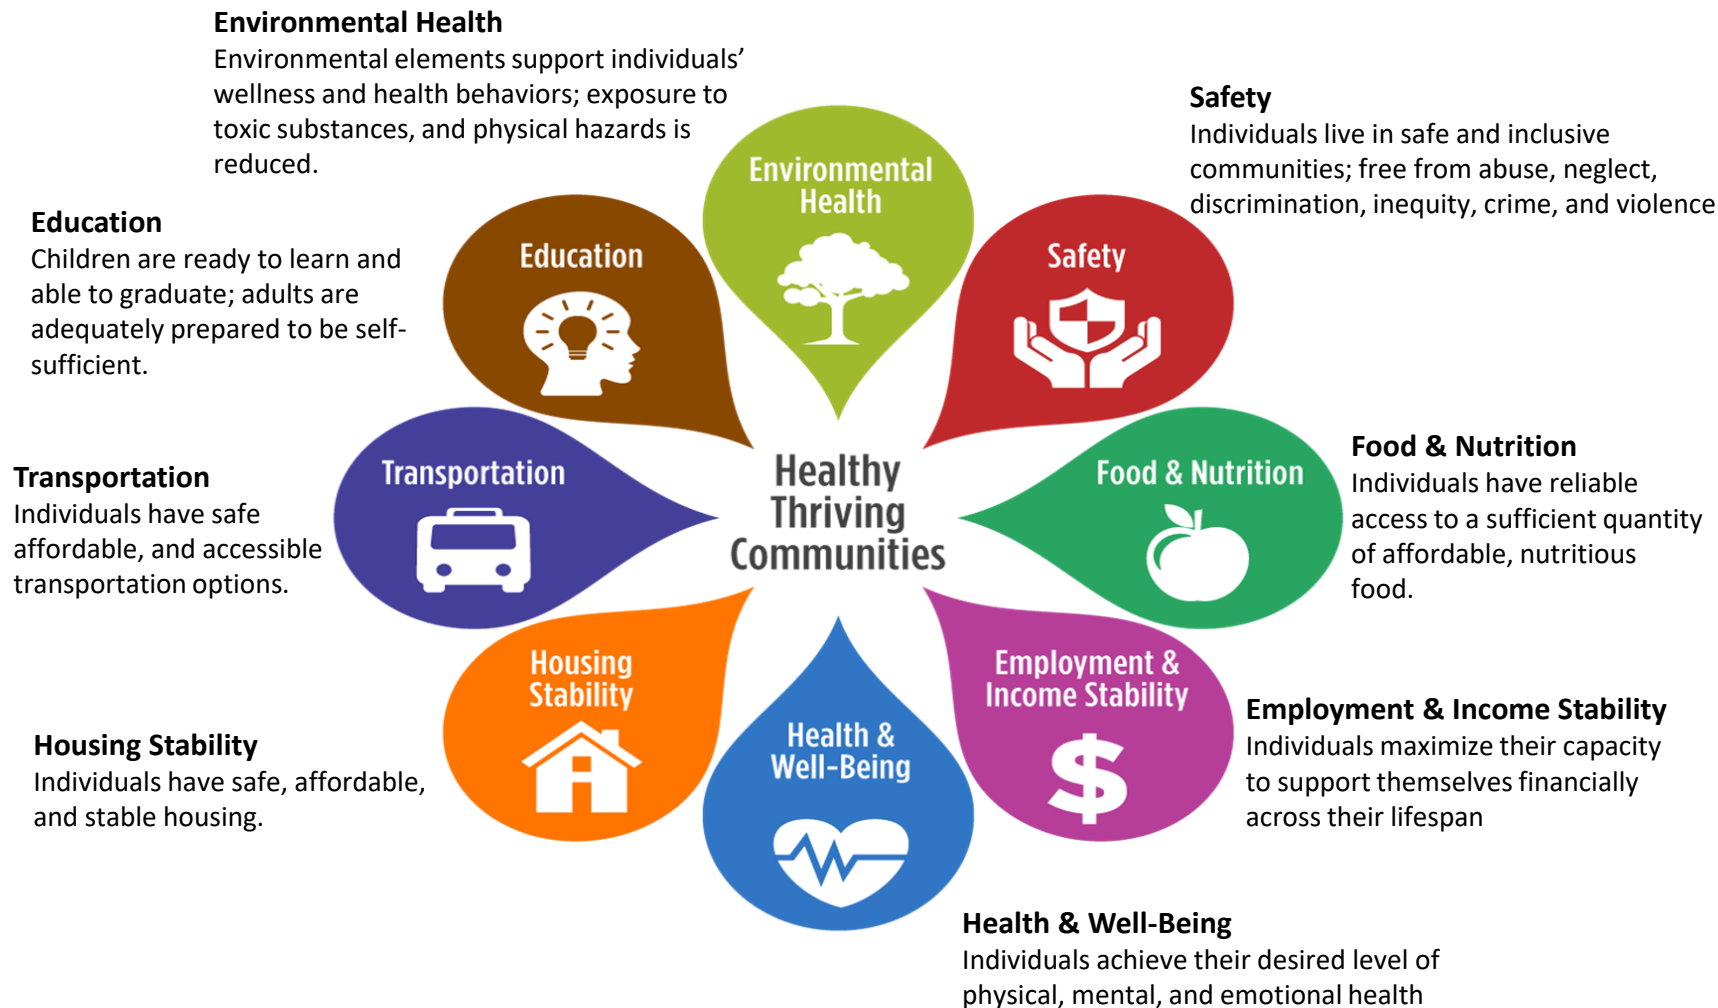

Vision

Individuals and families are strong, resilient, and thriving in their communities.

Social Determinants of Health

SNAP Caseload Numbers

NH Housing Relief Program

The NH Housing Relief Program was created to support families or individuals in need of housing assistance as a result of COVID-19.

Access to the program is through the five (5) Community Action Program agencies located throughout the state.

Investment in Child Care During COVID-19

11

Through December 7th, over \$45M has been invested in the child care field. This enables 45,360 licensed or allowable capacity spaces across the state.

- Full Time School Age Children Cost Share and Infant/Toddler Disaster Days & Cost Share: \$9.6M
- Emergency Child Care Program: \$3M
- Child Care Recovery and Stabilization Program: \$19.6M
- Health and Safety Supplies: \$1M
- Infrastructure & Capacity Building: \$1.83M
- Child Care Recovery and Stabilizations Supplemental: \$10M

Additional investments this fall:

- Absentee billing related to COVID for all children with enrolled providers (August 3, 2020 – December 27, 2020)
- Extension of full-time rate for school-age care for hours children would have been in school but for COVID-19 (September 7 – January 3, 2020)
